#### **Description:**

Evidence-Based Nursing: The Research-Practice Connection, Third Edition introduces students to research methods and evidence-based practice (EBP). Written in an accessible style, the content moves readers through understanding how research is produced to appraisal at the critical thinking level. Timely information links evidence-based practice to recent work in the Safety and Quality programs that are underway in healthcare and nursing. Key Features: • Offers five common

research designs, systematic reviews, and clinical practice guidelines by using a consistent, easy-to-read "Why-How-What" approach. • Exemplar research reports include "Profile and Commentary" that explain results of studies and help students better understand the methodological components of a study Accompanied by Instructor Resources: • Save time with a Test Bank and sample syllabus • Encourage critical thinking using additional learning activities, including discussion questions and small group assignments • Plan classroom lectures using PowerPoint Presentations created by the author Navigate eFolio Now Available! Navigate eFolio: Evidence-Based Nursing , a fully supported and hosted online learning solution featuring an ebook and course management tools is also available for purchase.
