**Description:**

**From Publishers Weekly** Conniving Greek gods, horrifying demons, vengeful warriors, and true love clash in this sexy, fast-paced paranormal romance series launch. Cocktail waitress and bookseller Casey Simopolous leads a lonely life until the night she rescues a mysterious man from a pack of hideous monsters. The handsome stranger is the Argonaut Theron, a guardian of a realm inhabited by the descendants of Greek demigods, and Casey soon finds herself thrown into a

dangerous romance amid secrets and prophecies that may hold the key to her own mysterious past and the salvation of Theron's besieged race. Naughton (*Stolen Fury*) occasionally stumbles in her narration, but she has a tremendous skill with steamy passion, dynamic characterization—especially of strong, multifaceted women whose friendships and family relationships play a crucial part in the story—and thrilling action.
